**RE: REVISED – NZTC’S OPERATIONS UNDER THE  
COVID-19 PROTECTION FRAMEWORK**

Dear saints,

On 2 December 2021, we sent a letter that outlined how the New Zealand Training Centre needed to operate under the Covid-19 Protection Framework. In that letter, we outlined how it was necessary for the New Zealand Training Centre to require a *My Vaccine Pass* to conduct conferences, trainings, events and functions.

As you are by now aware, the New Zealand government announced on Wednesday 23 March 2022 some changes to the Covid-19 Protection Framework. The changes that were announced come as welcome news to so many of us, as we can now enjoy the full church life without the previous restrictions.

With the new changes announced by the government, from 4 April 2022, the New Zealand Training Centre will **no longer require** those attending any conference, training, event, church meeting or function at the New Zealand Training Centre to have a *My Vaccine Pass*.

We will however continue to honour our government’s restrictions on gathering limits while we are under the Covid-19 Protection Framework. From 26 March 2022, while we remain under the Red Alert Level, we are restricted to 200 people in a defined space.

Having the ability to have saints gathered together physically with less restriction and separation is certainly good news and we thank the Lord for this timely arrangement which comes into effect before the National Conference on 14-17 April.

May the Lord continue to have a way to move and work in New Zealand and the surrounding countries this year.

Much grace,  
NZTC Serving Brothers
