To the saints in the churches in New Zealand

**Re: Brother Ray Macnee's Health Situation**

Dear saints,

On 1 October we sent out a letter regarding Brother Ray Macnee's health situation in which we mentioned that he had been diagnosed with bladder cancer. Since that time he has undergone surgery to deal with this issue.

Recently, a scan revealed that some cancer had spread to a new area. Brother Ray will begin chemotherapy in about two weeks' time and may have other kinds of treatment in the future. We are thankful to the Lord that Brother Ray was made aware of this spread in time for there to be treatment.

Once the treatment begins, Brother Ray's immunity will be lowered so he will not be able to attend large gatherings. With this in view, anyone visiting him should wear a face mask so as not to compromise his health.

Since this is a Body matter, we feel to give some direction regarding prayer for our Brother Ray. All our prayers should be aimed at Christ and the church as God's interests on earth for the fulfilling of His economy (see 1 Kings 8:48 note 1). Please pray:

1. for God's will to be done in relation to the treatment and Brother Ray's health for the sake of the building up of the Body of Christ and the going on of the Lord's recovery in New Zealand,
2. for the enemy to be fully bound and defeated in this situation, and
3. for God to be glorified.

In Christ,

The serving saints
