### **Application & Registration Information**

All saints wishing to attend the Summer School of Truth will go through an application process. This will involve filling out an online form by **Thursday 28 November**. After this deadline, a list of applications will be sent to the serving ones in your locality for their consideration and approval. Successful applicants will be notified about the outcome of their application by **Thursday 5 December**.

The serving ones in your locality will consider the following points when approving an applicant for Summer School:

**Highschoolers** who apply for Summer School should have attended high school this year, have a positive attitude, and be willing to participate in every aspect of the Summer School. You should also be able to accept and abide by the camp expectations provided in this letter.

**Serving ones** who apply should have a desire and burden to serve. They are expected to stay onsite and serve for the duration of the Summer School.

Once approved, the applicant will receive an email informing them how to make payment for Summer School. This will complete their registration.
